Rainbow Helicopters Inspires Young Aviators with Special Helicopter Landing at Iroquois Point Elementary's Wheels Day

Honolulu, HI - February 5, 2025 - Rainbow Helicopters is taking flight to inspire the next generation of aviators by participating in **Wheels Day at Iroquois Point Elementary School**. As part of this exciting event, a Rainbow Helicopters aircraft made a special landing on campus, giving 250 kindergarten through second-grade students a close-up look at the magic of vertical aviation.

Wheels Day is an annual event that introduces students to various modes of transportation, sparking curiosity about careers in aviation, emergency services, and more. This year, Rainbow Helicopters is honored to be part of the experience, providing an unforgettable moment as the helicopter touched down in front of eager young minds.

"This is an incredible opportunity to share our passion for vertical aviation with the next generation," said **Nicole Battjes, owner of Rainbow Helicopters**. "For many of these students, this may be the first time they've seen a helicopter up close. We hope to inspire future pilots, engineers, and aviation enthusiasts through this experience."

Following the landing, students had the opportunity to learn about the helicopter, ask questions, and explore the role of aviation in Hawaii. The Rainbow Helicopters team shared insights into flight operations, safety, and the many ways helicopters serve the community.

Rainbow Helicopters is committed to fostering educational opportunities and giving back to the local community. Through events like Wheels Day, the company aims to inspire Hawaii's keiki and showcase the endless possibilities that aviation offers.
